

Name: _____

Part 1 - Rock Research & Information Page

Due Date: Thursday, March 3rd

During your research portion of this project you will need to use at least four different sources. List the type of source, source, and author in the chart below. If you would like, use the Unit 2: Rocks & Minerals page on the Third Grade Website for great online resources!

You will be researching and taking notes in each of the sections below. Use the guiding questions to help guide your research. Remember, you are not limited to only answering the questions listed – include any other important information you find!

Type of Source	Source & Author

Introduction

What is the name of your rock?

Which type is it?

Where are you usually found?

How would you describe the area where you're usually found? (*think geological descriptions*)
